Leaders never follow

OMEGA
45

The OMEGA 45 speedboat is the new benchmark in high performance offshore luxury RIBs offering a level of style and power never seen before in her class. OMEGA 45, 45 footer powerboat all new design, provides a fantastic opportunity to create a true offshore performance RIB. The OMEGA 45 hull design allows high speed, excellent handling under harsh weather conditions, dry & safe riding, establishing herself as a true offshore power MEGA RIB.

Conquer the sea

A superyacht among tenders

Edge technology has been used in every stage on this model. From CNC prototyping to ceramic coated molds and to epoxy resins, true vacuum infusion, foam cored combined to carbon fiber production that is finally oven cured in computerized oven, characterizing this boat as one of the best made in Europe.
